

## We Love—God Blesses

READ EPHESIANS 2:1-10

**Bible Thought:** "We know that in everything God works for good with those who love him, who are called according to his purpose" (Romans 8:28, RSV).

DO YOU HAVE a purpose in life? Do you feel needed? Studies I have read on why old people commit suicide draw the conclusion that they no longer feel useful. Single Christians I know can't seem to find their "niche" in the church because they don't feel needed.

All of us are needed to love so God can bless. We are his tools, "his workmanship, created in Christ Jesus for good works." Some of us may be scrub brushes, some the finest camel's-hair artist's tools, but all are channels of blessing to the world.

I can't get along in my life without my funnels. I use one to put oil in my car; another to put milk in the yogurt glasses; and a tiny one to pour my blueberry vinegar into thin-necked bottles rather than on the cabinet.

My funnels are tin or aluminum. God's funnels are people who love. Let God use you to oil a rusty Christian, to supply spiritual food to a dying sinner, to do a job that you alone can do.

*Love in loving finds employ,  
In obedience all her joy;  
Ever new that joy will be,  
Loving him who first loved  
me.*

—Jane E. Leeson

Hymn: "Make Me a Channel of Blessing"

*Loving Father, help me to be like you, full of your love. Thank you for needing me. In Christ. Amen.*

—DIANNE TINER, Hale Center, Texas
